00:00:12.269 --> 00:00:15.240

William Potter: We will, we won't. We won't talk bad about should now.

2

00:00:16.560 --> 00:00:17.580

William Potter: We'll wait until later.

3

00:00:18.539 --> 00:00:21.030

Amber Wilson: I've been recording this whole time. So I got it already.

4

00:00:21.540 --> 00:00:29.190

Paul Baxter: Oh, this is for the recording. It'll post on the website. I figured all this out before the meeting didn't have to be part of that.

5

00:00:31.290 --> 00:00:37.140

William Potter: I sent everybody in agenda, but I didn't make myself one so i i don't remember what's on

6

00:00:38.250 --> 00:00:38.760

William Potter: I'm

7

00:00:40.110 --> 00:00:41.100

William Potter: Basically

8

00:00:42.330 --> 00:00:44.130

William Potter: This meetings, a little converse on

9

00:00:46.320 --> 00:00:54.090

Amber Wilson: Highway report review abstract bills authorized supervisor to pay bills established meeting date with highway employees and join the meeting.

10

00:00:54.840 --> 00:00:55.950

William Potter: Okay. Do you have

11

00:01:09.480 --> 00:01:10.590

William Potter: To run over the bills.

12

00:01:14.640 --> 00:01:17.820

William Potter: Okay, for highway, we had

13

00:01:20.220 --> 00:01:23.190

William Potter: Interstate billing service closed and again

14

00:01:24.510 --> 00:01:24.870

Douglas Henry: More

15

00:01:26.220 --> 00:01:29.820

William Potter: Interstate billing services incorporated dance for Han

16

00:01:35.850 --> 00:01:41.220

William Potter: Okay, yes. For \$79 and 58 cents glider oil.

17

00:01:42.690 --> 00:02:00.180

William Potter: This time of year. Of course it's a mix between kerosene and diesel one bill was for 2007 3478 and the other bill was for 1754 29. The only other bill we had was for CG and sun machining incorporated

18

00:02:02.310 --> 00:02:11.430

William Potter: The cylinder, a new rotten reseal for 385 for a total of \$4,953 and 65 cents.

19

00:02:13.860 --> 00:02:14.610

Douglas Henry: Thing I would like

20

00:02:26.970 --> 00:02:28.530

William Potter: Yes, I received it.

21

00:02:30.390 --> 00:02:34.800

William Potter: Either yesterday or today and I deposited it today. It was for

22

00:02:37.650 --> 00:02:42.960

William Potter: \$2,182 or something like that. It was for one half.

23

00:02:44.310 --> 00:02:46.860

William Potter: So, so we did get that and it's in the bag.

24

00:02:51.570 --> 00:02:52.140

William Potter: Yes.

25

00:02:57.750 --> 00:02:59.730

William Potter: Do you want me to run through the general bills.

26

00:03:02.190 --> 00:03:07.500

William Potter: One thing while we're talking about the bills. Okay. Ryan and David have already done this.

27

00:03:09.450 --> 00:03:15.240

William Potter: I talked with Paul on, you know, when we do a zoom meeting. How do we audit the bills.

28

00:03:15.690 --> 00:03:31.740

William Potter: And what I guess other towns are doing as AS THE BOARD MEMBERS ARE COMING INTO THE OFFICE one at a time and going through the bills and signing them that way. Um, so I've got Ryan and David Jessica. Do you want to come in. Sometime after work.

29

00:03:33.480 --> 00:03:36.690

Jessica Steele: I, I can anytime I takes me I get back about 430

30

00:03:37.770 --> 00:03:40.380

William Potter: Okay, um, let's today.

31

00:03:41.070 --> 00:03:42.390

Jessica Steele: Today's Tuesday.

32

00:03:42.810 --> 00:03:44.100

William Potter: You want to come tomorrow.

33

00:03:46.170 --> 00:03:47.190

William Potter: Tomorrow's Wednesday.

34

00:03:47.730 --> 00:03:50.070

Jessica Steele: Yeah, I can come up tomorrow at 430

35

00:03:50.760 --> 00:03:55.170

William Potter: All right, I'll go over to the office about 430 then we can get that done.

36

00:03:55.530 --> 00:03:58.380

Jessica Steele: Okay, might be about 435 I get stuck on the train or something.

37

00:03:59.970 --> 00:04:00.450

William Potter: Okay.

38

00:04:01.620 --> 00:04:13.290

William Potter: All right on the general fund or will container that is split between the town hall and the town board barn for \$49 and 42 cents each.

39

00:04:14.640 --> 00:04:15.930

William Potter: National Grid.

40

00:04:17.040 --> 00:04:21.210

William Potter: For the Town Hall was 159 38 for the playground.

41

00:04:23.280 --> 00:04:24.390

William Potter: For the town barn.

42

00:04:27.210 --> 00:04:29.130

William Potter: Eastern Shore associates.

43

00:04:30.600 --> 00:04:32.700

William Potter: We had to pay some more for the new truck.

44

00:04:33.720 --> 00:04:39.780

William Potter: For that endorsement. So that was 257 50 to add the 21 international

45

00:04:41.490 --> 00:04:46.620

William Potter: Williamson law book for the town clerk software support for

46

00:04:48.330 --> 00:04:51.150

William Potter: Was \$1,333

47

00:04:52.860 --> 00:05:01.830

William Potter: United States Postal Service. We bought 15 rolls 50 stamps to mail out all the tax bills.

48

00:05:02.850 --> 00:05:12.900

William Potter: Which usually take about 30 rolls and the Rouse will be used for receipts and what have you. So there was \$826 and 80 cents.

49

00:05:14.640 --> 00:05:21.360

William Potter: Box rent for Highway two box number 202 is \$56

50

00:05:22.380 --> 00:05:27.030

William Potter: Time Warner Cable for the town barn 176 29

51

00:05:29.160 --> 00:05:38.010

William Potter: NV energy propane for the Town Hall was 585 75 for the town barn 653 22

52

00:05:39.120 --> 00:05:47.070

William Potter: And there's also two payments to the state controller for the A 690 the justice funds.

53

00:05:48.510 --> 00:06:01.980

William Potter: One payment was for \$446 that's for October, and the other one for November was 1170 for a total of \$6,003

54

00:06:03.330 --> 00:06:04.020

William Potter: Water

55

00:06:05.100 --> 00:06:08.130

William Potter: National Grid was 230 302

56

00:06:10.170 --> 00:06:12.720

William Potter: There's three different things on here for

57

00:06:15.090 --> 00:06:16.290

William Potter: Rebecca Prozac.

58

00:06:17.370 --> 00:06:19.500

William Potter: Pros a check Prozac.

59

00:06:22.800 --> 00:06:31.830

William Potter: Anyway, the first one was to draft the resolution to improve the water system was \$125 to attend the public, public hearing to 1875

60

00:06:32.400 --> 00:06:45.570

William Potter: And to draft the notice permissive referendum 3125 seems like that should have expired. By now, or soon so I'll need to double check with her on what's going on with it.

61

00:06:46.440 --> 00:07:02.970

William Potter: And also the software support for the water and water works is \$1,262 that's for the 2021 for a total of \$1,870 in two cents.

62

00:07:05.040 --> 00:07:08.550

William Potter: We have a motion to authorize the supervisor to pay the bills.

63

00:07:09.450 --> 00:07:10.320

Jessica Steele: I make said motion.

64

00:07:11.250 --> 00:07:12.180

William Potter: We have a second.

65

00:07:13.980 --> 00:07:14.340

Second,

66

00:07:15.720 --> 00:07:16.980

William Potter: All those in favor,

67

00:07:22.350 --> 00:07:22.950

Jessica Steele: Question.

68

00:07:24.840 --> 00:07:25.320

Jessica Steele: Got

69

00:07:26.430 --> 00:07:29.160

Jessica Steele: We recently got our water bill, but I haven't seen a survey.

70

00:07:32.310 --> 00:07:32.760

William Potter: Well,

71

00:07:34.110 --> 00:07:36.810

William Potter: dads are we unmute

72

00:07:38.640 --> 00:07:39.540
William Potter: That's a mess.

73

00:07:40.170 --> 00:07:44.580
Jessica Steele: Okay, we can talk about it another time. I just did make sure I didn't miss something.

74

00:07:45.480 --> 00:07:49.020
William Potter: No, there was one survey that was sent out some people got that.

75

00:07:50.250 --> 00:08:06.690
William Potter: And names and addresses were incorrect. I don't know where they got they sent mine to appeal box and Sandy Creek. I've never lived in Sandy Creek. Okay. Just for an example. I got somebody else's sent to my house. You know, so

76

00:08:07.770 --> 00:08:18.120
William Potter: I spent on one morning reviewing their list making name and address corrections and they are supposedly sending out a second one which I don't

77

00:08:19.950 --> 00:08:25.500
William Potter: Think they have yet because I haven't received a second one yet either. So the surveys coming just to come

78

00:08:26.040 --> 00:08:30.240
Jessica Steele: Okay. Well, I just want to say, I mean, I was got my water bill but didn't get the survey and

79

00:08:30.840 --> 00:08:33.900
Jessica Steele: I know the water bills and I didn't do the survey.

80

00:08:34.650 --> 00:08:35.820
William Potter: Know the know

81

00:08:35.850 --> 00:08:43.260
Jessica Steele: I know that, but it's just like, you know, I think, you know, we're paying all this money that should have been done a while ago correctly.

82

00:08:44.370 --> 00:08:46.800
William Potter: Well, I don't know where the problem lies.

83

00:08:47.040 --> 00:08:49.290

William Potter: Yeah, no, but did they, they do.

84

00:08:50.160 --> 00:08:51.660

Jessica Steele: Amber to it, obviously.

85

00:08:53.880 --> 00:09:04.050

William Potter: We test the desk. The thing that kills me. We provided them with a listing. Okay. And did we give them a copy of address labels
amber

86

00:09:04.380 --> 00:09:09.450

Amber Wilson: I feel like we did. I know I gave you a copy of the list at one point.

87

00:09:10.500 --> 00:09:20.460

William Potter: Because property changes hands you know and and what have you and amber has done a really good job of keeping up with it. Okay.

88

00:09:23.250 --> 00:09:26.160

William Potter: So I'm getting a whole bunch of the original

89

00:09:27.180 --> 00:09:32.760

William Potter: Surveys returned in the mail. Okay. So I'm starting a collection

90

00:09:33.030 --> 00:09:37.830

William Potter: Okay. Um, but it's my understanding, they should um

91

00:09:39.540 --> 00:09:42.720

William Potter: I did that last week, Wednesday.

92

00:09:43.020 --> 00:09:45.990

Jessica Steele: Okay, I just wanted to make sure I wasn't missing something or

93

00:09:46.410 --> 00:09:47.220

William Potter: Right, yeah.

94

00:09:47.460 --> 00:09:53.160

William Potter: Okay, yeah, you know, and if you don't get one and you don't send it in, they'll come knocking on your door later.

95

00:09:53.520 --> 00:09:54.240

Jessica Steele: That's fine.

96

00:09:54.930 --> 00:09:56.880

William Potter: So, but hopefully you'll get one.

97

00:09:57.090 --> 00:09:59.070

William Potter: Their spirits UNITA

98

00:10:00.390 --> 00:10:06.600

Jessica Steele: Well, you know, it seems like they want to be as accurate as possible because they're just creating themselves more work in the long run, when they have to go knocking door to door.

99

00:10:07.530 --> 00:10:09.060

William Potter: Oh, exactly.

100

00:10:09.330 --> 00:10:11.070

Jessica Steele: It's just silly to me.

101

00:10:11.280 --> 00:10:20.520

William Potter: And then, and then the other the other difficulty is that there's, it's actually a low percentage statistically that actually return the survey.

102

00:10:21.900 --> 00:10:23.790

William Potter: Okay, so it's it's

103

00:10:25.080 --> 00:10:35.340

William Potter: You know, that's quite a bit of postage because they put a stamp on the envelope in with the survey to return it. So, but their footing the bill on the second round.

104

00:10:35.670 --> 00:10:38.580

Jessica Steele: All right. Okay. I didn't mean to veer off course we didn't. I was just

105

00:10:38.910 --> 00:10:48.150

William Potter: Well, that's good. That's something I I knew what was going on. But I, I forget to tell people, okay.

106

00:10:50.220 --> 00:10:51.270

Amber Wilson: I got blamed

107

00:10:52.830 --> 00:10:54.120

William Potter: I didn't play in you.

108

00:10:54.300 --> 00:10:54.630

Know you

109

00:10:56.190 --> 00:10:57.120

William Potter: That much

110

00:10:59.730 --> 00:11:08.160

William Potter: I don't know. I don't know where they how they got their list because the list was given to Barton and logis and somehow was at your kitty.

111

00:11:08.790 --> 00:11:09.810

William Potter: What, how

112

00:11:12.300 --> 00:11:19.350

William Potter: They altered dead. I don't know. I don't understand the process. I don't need to. All I know is they messed it up.

113

00:11:20.610 --> 00:11:21.210

Jessica Steele: There enough

114

00:11:22.170 --> 00:11:27.870

William Potter: To other things that I want to talk about quick, we need to meet with the highway, guys.

115

00:11:28.890 --> 00:11:40.080

William Potter: They've asked to meet with the board and I actually what I'd like to do is to be able to meet with them. The first part of next week like either Monday, Tuesday or Wednesday.

116

00:11:41.220 --> 00:11:53.460

William Potter: Hopefully we can come to a resolution because I need to do the first payroll next week, Thursday, so it'd be nice to have it resolved, rather than have to go retro active on there.

117

00:11:54.990 --> 00:11:59.400

William Potter: So Ryan, are you available any evening next week.

118

00:12:00.780 --> 00:12:01.770

William Potter: Are you working

119

00:12:06.690 --> 00:12:07.290

William Potter: Ryan.

120

00:12:09.870 --> 00:12:10.740

William Potter: Hello.

121

00:12:11.700 --> 00:12:12.990

Jessica Steele: He's got himself muted.

122

00:12:14.460 --> 00:12:15.000

Jessica Steele: Ryan.

123

00:12:15.510 --> 00:12:16.650

William Potter: Was lips aren't moving

124

00:12:22.320 --> 00:12:22.530

Ryan Jones: I'm

125

00:12:24.270 --> 00:12:25.140

Jessica Steele: unmuted you

126

00:12:27.930 --> 00:12:28.320

Ryan Jones: Hear me

127

00:12:29.610 --> 00:12:30.750

William Potter: Thank you froze up

128

00:12:31.410 --> 00:12:33.360

Ryan Jones: I was trying to unmute but wasn't working.

129

00:12:33.780 --> 00:12:35.070

William Potter: Like you're muted now.

130

00:12:38.760 --> 00:12:41.130

Ryan Jones: You're on mute it now. Can you hear me now.

131

00:12:41.430 --> 00:12:41.700
Yeah.

132
00:12:44.340 --> 00:12:44.850
William Potter: So,

133
00:12:45.720 --> 00:12:48.060
Ryan Jones: Monday, Tuesday or Wednesday, hear me now.

134
00:12:48.180 --> 00:12:49.800
Ryan Jones: Yes. Can you hear

135
00:12:52.290 --> 00:12:54.210
Ryan Jones: Me, I can hear you. Yeah.

136
00:12:55.230 --> 00:12:56.010
William Potter: Okay, so

137
00:12:56.340 --> 00:12:58.380
Ryan Jones: I play, Monday, Tuesday next week.

138
00:12:58.860 --> 00:12:59.370
Harvey.

139
00:13:03.750 --> 00:13:07.830
Ryan Jones: I work late Monday and Tuesday next week, I could do
Wednesday.

140
00:13:08.640 --> 00:13:10.470
William Potter: Okay, David.

141
00:13:11.100 --> 00:13:12.180
david lake: Let's do be all right.

142
00:13:13.110 --> 00:13:15.390
William Potter: Okay, um,

143
00:13:16.110 --> 00:13:17.490
William Potter: Now check with Jackie.

144
00:13:18.330 --> 00:13:19.590

Ryan Jones: Jessica you're sitting this

145

00:13:19.590 --> 00:13:20.070

William Potter: One out

146

00:13:21.240 --> 00:13:21.630

Ryan Jones: Just

147

00:13:23.460 --> 00:13:24.840

Jessica Steele: Go, but I'm

148

00:13:26.040 --> 00:13:26.940

Ryan Jones: Going to go but

149

00:13:28.410 --> 00:13:28.590

Ryan Jones: I

150

00:13:30.120 --> 00:13:31.860

William Potter: Have to recuse yourself right

151

00:13:33.420 --> 00:13:34.650

Ryan Jones: Choose yourself right

152

00:13:35.400 --> 00:13:36.120

Jessica Steele: As far as what

153

00:13:38.190 --> 00:13:38.580

Ryan Jones: As far

154

00:13:39.900 --> 00:13:42.270

William Potter: As the contract with the highway, guys.

155

00:13:43.350 --> 00:13:46.650

Jessica Steele: The contract with the hiring go vote on it.

156

00:13:47.160 --> 00:13:47.490

Ryan Jones: Right.

157

00:13:47.550 --> 00:13:48.780

Well, that's what I meant.

158

00:13:49.980 --> 00:13:51.570

William Potter: Was going on with the sound.

159

00:13:51.570 --> 00:13:52.470

William Potter: Or echoing

160

00:13:53.730 --> 00:13:55.230

Ryan Jones: A significant delay.

161

00:13:57.390 --> 00:13:57.840

Ryan Jones: Delay

162

00:14:01.020 --> 00:14:06.450

Paul Baxter: seems to be happening since we are unmuted. Ryan, I don't know anything about his setup.

163

00:14:13.110 --> 00:14:13.350

Amber Wilson: Right.

164

00:14:15.900 --> 00:14:16.140

Ryan Jones: Right.

165

00:14:17.700 --> 00:14:18.360

Ryan Jones: Right.

166

00:14:23.700 --> 00:14:26.520

William Potter: Alright so let me check with john rose or in seed seed.

167

00:14:28.620 --> 00:14:29.760

Ryan Jones: Seed, see if we can

168

00:14:29.760 --> 00:14:31.140

Ryan Jones: set something up part

169

00:14:32.190 --> 00:14:32.820

William Potter: I'm

170

00:14:35.280 --> 00:14:36.870

William Potter: Wednesday afternoon late

171

00:14:38.070 --> 00:14:39.810

Ryan Jones: Wednesday afternoon play

172

00:14:44.580 --> 00:14:46.950

William Potter: The only other thing and file. This is most

173

00:14:46.950 --> 00:14:50.400

Ryan Jones: annoying thing most annoying.

174

00:14:50.970 --> 00:14:53.910

Paul Baxter: It is, but the only thing I can think of to do is

175

00:14:55.380 --> 00:14:56.820

Paul Baxter: More likely than not. Yeah.

176

00:15:00.420 --> 00:15:03.600

William Potter: I can understand the thing you're saying because you're talking over yourself.

177

00:15:05.970 --> 00:15:07.470

Jessica Steele: Can you understand what I'm saying.

178

00:15:07.920 --> 00:15:14.250

Jessica Steele: Yes, he's suggesting Ryan mute microphone when he's not talking because it started when Ryan unmuted.

179

00:15:16.710 --> 00:15:22.710

Paul Baxter: And I see Ryan is muted now and I think your problem went away. So it might be something about Ryan settings.

180

00:15:23.730 --> 00:15:40.260

William Potter: Could be because port Ryan is all all messed up. I'm the only other thing that I've got the future of these zoom meetings. Okay, I've talked with a couple of different ones that were just as soon go back to how we've been doing these meetings. However, the rest of you feel

181

00:15:43.080 --> 00:15:44.580

david lake: Rather do face to face.

182

00:15:46.050 --> 00:15:46.740

William Potter: Jessica.

183

00:15:49.470 --> 00:16:01.140

Jessica Steele: Ideally, my opinion is until we get it. Hold on. The numbers are we have somebody come in and clean before and after our meetings. I don't know how safe. That is

184

00:16:01.860 --> 00:16:09.420

William Potter: I've got somebody that sanitizing the room after the meeting, nobody's using the room prior to the meeting. We're the only ones using it.

185

00:16:10.110 --> 00:16:14.400

Jessica Steele: As long as everyone's wearing masks and we're staying far enough apart. I don't have a problem with that.

186

00:16:15.060 --> 00:16:16.800

William Potter: All right, I'm

187

00:16:18.420 --> 00:16:19.350

William Potter: There, Doug. Go.

188

00:16:24.030 --> 00:16:28.950

William Potter: Okay, that's a little easier. Ryan Just nod your head.

189

00:16:34.200 --> 00:16:34.770

William Potter: Yes.

190

00:16:36.840 --> 00:16:39.600

William Potter: We talked to Sam. All right, he got it.

191

00:16:40.290 --> 00:16:49.170

William Potter: All right, then what we'll do is go ahead and schedule. Our January, I believe it's the 12th meeting as we normally do.

192

00:16:50.730 --> 00:16:56.760

William Potter: And we'll see how it goes. I mean, if things get real hot and heavy again. Then we'll have to reevaluate.

193

00:16:57.480 --> 00:16:59.220

Amber Wilson: Yes, it will be January the 12th.

194

00:16:59.850 --> 00:17:01.080

William Potter: Okay, thank you, Amber.

195

00:17:03.990 --> 00:17:05.700

William Potter: All right, then I will

196

00:17:07.080 --> 00:17:09.300

William Potter: send you an email to let you know.

197

00:17:10.830 --> 00:17:13.080

William Potter: About the meeting with the highway, guys.

198

William Potter: Um,

199

00:17:16.860 --> 00:17:19.080

William Potter: I think that's it. Anybody else got anything
