53

00:05:33.060 --> 00:05:36.030

William Potter: And then I need a motion to adjourn to the regular meeting.

54

00:05:38.340 --> 00:05:39.210

Ryan Jones: I'll makes us motion.

55

00:05:39.660 --> 00:05:40.200

Second,

56

00:05:41.340 --> 00:05:41.970

Jeff Graham: I'll second.

57

00:05:42.750 --> 00:05:43.710

William Potter: All those in favor,

58

00:05:44.100 --> 00:05:45.960

Ryan Jones: Aye. Aye.

59

00:05:47.010 --> 00:05:50.970

William Potter: Okay, David wrote, I've got on the agenda. First is

60

00:05:54.510 --> 00:06:11.340

William Potter: Your resolution adopting provisions on suspending the requirement of renewal applications as a condition to granting exemptions under Section 459 see and for 67 of the real property law want to talk about that David well

61

00:06:11.370 --> 00:06:18.540

David Roach: Really what it does is during covidien spares senior citizens from needing to come in to renew their senior exemption.

62

00:06:19.170 --> 00:06:28.560

David Roach: It allows us to basically put them on at the same rate. They were at last year without them re filing any paperwork or having a need to go out to come into the office to do that.

63

00:06:29.490 --> 00:06:35.610

David Roach: And matter in the last 10 days I've been exposed to different people with coven. I don't want to do it anymore.

64

00:06:36.360 --> 00:06:46.380

David Roach: And I don't want to risk making anyone else sick, either. So I'm doing this. I'm asking all of my talents to pass this resolution to make it easier for seniors to just get their exemption and not have to go out at all.

65

00:06:47.160 --> 00:06:56.100

David Roach: They were already an at risk population and I don't want them to have to come in and put themselves or myself at risk, just for the, the senior additional so the

66

00:06:56.580 --> 00:07:00.300

David Roach: Text of the law that some of you have received already has already been amended.

67

00:07:00.930 --> 00:07:07.800

David Roach: The state does their resolution in such a way that nothing we do at the town level can supersede it without additional wording.

68

00:07:08.160 --> 00:07:19.860

David Roach: So the copy that I sent the bill today has that wording in there. What it does is it allows us to remove an exemption in the event of somebody passing or knowing that the property is transferred

69

00:07:20.400 --> 00:07:26.490

David Roach: Or someone has transferred a property to a relative they're no longer eligible for that particular exemption.

70

00:07:26.850 --> 00:07:34.050

David Roach: If we left the state working the way it was. I would have no authority to do that. So we needed to add a paragraph basically stating the assessor can still do their job.

71

00:07:34.680 --> 00:07:41.580

David Roach: It's odd that the state would write a law that way. But they did so the copy that bill has is what I need you to pass tonight.

72

00:07:42.750 --> 00:07:50.640

William Potter: I do have a couple of questions. David, is there any notification going out so that the seniors don't come knocking on your door.

73

00:07:51.300 --> 00:07:53.010

David Roach: Know, essentially.

74

00:07:54.180 --> 00:08:00.450

David Roach: In Our Town and all of my talents. I have a very transient population of seniors, a large number of them go south for the winter.

75

00:08:01.020 --> 00:08:15.780

David Roach: So we send our notifications out in October, our reminder notices. So I have a good number of them back already. But there are the people that I have to hound on an annual basis. And this year, I can basically just say, I'll take care of it. You don't need to come in.

76

00:08:16.860 --> 00:08:24.330

David Roach: But I'm not planning on sending out anything to all of these recipients because they have some of them back already. And it will just create confusion.

77

00:08:24.990 --> 00:08:27.990

David Roach: Okay, those people that will call and ask, I'll just take care of

78

00:08:28.050 --> 00:08:29.340

David Roach: As the need arises.

79

00:08:30.090 --> 00:08:30.870

William Potter: Very good.

80

00:08:32.520 --> 00:08:36.150

William Potter: Do we have a motion to pass resolution 120 21

81

00:08:37.950 --> 00:08:39.030

Jeff Graham: I'll make sense motion.

82

00:08:39.570 --> 00:08:40.500

William Potter: We have a soccer.

83

00:08:41.730 --> 00:08:42.330

Ryan Jones: Ball soccer.

84

00:08:48.030 --> 00:08:50.040

Amber Wilson: It calls for a roll call. But I think if you all

85

00:08:51.030 --> 00:08:51.780

William Potter: I'm getting to

86

00:08:52.560 --> 00:08:54.810

Amber Wilson: Listen mouthy, I was trying to help you out.

87

00:08:55.410 --> 00:08:56.610

William Potter: councilman Graham.

88

00:08:57.180 --> 00:08:59.790

William Potter: High councilman Jones.

89

00:09:04.140 --> 00:09:06.060

William Potter: Hi, thank you.

90

00:09:07.920 --> 00:09:08.910

William Potter: Call them and like

91

00:09:09.270 --> 00:09:12.150

William Potter: I supervisor Potter, I

92

00:09:14.190 --> 00:09:15.690

William Potter: Are we set amber

93

00:09:16.950 --> 00:09:17.520

Amber Wilson: Yes.

94

00:09:18.930 --> 00:09:20.310

William Potter: All right. Thank you, David.

95

00:09:20.550 --> 00:09:23.160

David Roach: Thank you all. Have a good night. If you need me. Please give me a call.

96

00:09:24.120 --> 00:09:24.720

William Potter: Thank you.

97

00:09:24.990 --> 00:09:25.440

David Lake: Thank you.

98

00:09:27.390 --> 00:09:34.920

William Potter: Okay, David powers. Okay, this is another resolution that I didn't send to you guys because I didn't know I had it.

99

00:09:36.090 --> 00:09:38.970

William Potter: But now I do. This is what I

100

00:09:39.450 --> 00:09:40.320

Amber Wilson: Looked at it. Yeah.

101

00:09:41.850 --> 00:09:45.270

David Powers: I can, I can share my screen. If you'd like Phil, I think.

102

00:09:47.730 --> 00:09:51.570

David Powers: I can share my screen so everyone can see the resolution, I can pull it up for everyone.

103

00:09:52.470 --> 00:09:56.280

William Potter: Okay, it's pretty simple. This is basically to do with the

104

00:09:57.780 --> 00:10:00.750

William Potter: Community Development Grant right David

105

00:10:01.440 --> 00:10:04.590

David Powers: Yep. The CDB G Community Development Block Grant.

106

00:10:05.310 --> 00:10:06.630

William Potter: Okay, you're on.

107

00:10:08.250 --> 00:10:18.060

David Powers: So we have been anxiously awaiting the announcement of these grant programs. The first one to roll out is the CD big Community Development Block Grant.

108

00:10:18.570 --> 00:10:29.070

David Powers: This is one of the three grants that we've got targeted for the water systems improvements project. So the CD big grant applications are due march 5 of this year.

109

00:10:31.260 --> 00:10:40.590

David Powers: One thing that CDB requires for the application is a public hearing be held before the application is submitted, so that's the town board may

110

00:10:41.730 --> 00:10:48.030

David Powers: You know, inform the public says this is what they're going after they're going to apply for this grant and receive any public comment.

111

00:10:48.630 --> 00:11:01.500

David Powers: A lot of grants don't require that CD big does and being that the due date is March 5. The only time that we can slide in a public hearing between now and then, is the regular February board meeting.

112

00:11:02.790 --> 00:11:05.490

David Powers: So that brings us to tonight's CD BG

113

00:11:06.900 --> 00:11:16.230

David Powers: The administration of the grants, they're kind of their kind of sticklers so you know regularly this this resolution, probably isn't necessary to just schedule a public hearing

114

00:11:16.800 --> 00:11:25.080

David Powers: But we want to cross the t's and dot all the i's. So I prepared a resolution tonight just authorizing the town to schedule the public hearing

115

00:11:26.310 --> 00:11:40.200

David Powers: After the resolution is passed, then we'll post the notice of the public hearing in the paper and post it for the public to see in at least one public location in the town and that will meet all CDB geez requirements for the application.

116

00:11:41.100 --> 00:11:49.560

William Potter: And the only caveat with the public notice was that it had to be prior to seven days before the hearing. I got there. Correct.

117

00:11:50.040 --> 00:11:55.080

David Powers: That's correct. Yep. And there is no maximum date. So you could put it in tomorrow or

118

00:11:55.470 --> 00:11:59.760

William Potter: 10 days. That's what amber and I have talked about earlier today is that we were going to

119

00:11:59.940 --> 00:12:01.110

William Potter: Submit this week.

120

00:12:01.110 --> 00:12:04.650

William Potter: For next week's paper and run it for two weeks video

121

00:12:04.920 --> 00:12:06.270

David Powers: Okay, yep.

122

00:12:07.410 --> 00:12:16.170

David Powers: Sounds good. Yep. And the only other thing with that that posting in a public location if you just tack that up to a Bolton board or put it outside somewhere.

123

00:12:16.680 --> 00:12:26.520

David Powers: Take picture, take a picture of it, either with a phone or a camera and that's all CD BG needs you take a picture of it posted and that's that's good enough justification for them.

124

00:12:27.210 --> 00:12:29.190

William Potter: You need me to email that to you.

125

00:12:29.610 --> 00:12:30.360

David Powers: The picture of you.

126

00:12:30.690 --> 00:12:31.560

David Powers: Yeah, if you would, please.

127

00:12:32.220 --> 00:12:33.660

William Potter: All right, who is john

128

00:12:35.010 --> 00:12:35.700

John Howland: John Allen.

129

00:12:36.960 --> 00:12:37.410

William Potter: Oh,

130

00:12:39.630 --> 00:12:40.710

William Potter: Good. You

131

00:12:41.070 --> 00:12:41.550

Yeah.

132

00:12:44.640 --> 00:12:51.000

William Potter: All right. Do we have a motion to a pen to pass resolution for 2021

133

00:12:53.190 --> 00:12:54.090

Ryan Jones: I'll make some motion.

134

00:12:54.720 --> 00:12:55.680

William Potter: Do we have a second

135

00:12:55.950 --> 00:12:56.640

Jeff Graham: I'll second.

136

00:12:58.290 --> 00:12:59.400

William Potter: Column and Graham.

137

00:12:59.880 --> 00:13:02.220

William Potter: I councilman Jones.

138

00:13:08.280 --> 00:13:10.020

William Potter: I think he said I amber

139

00:13:10.620 --> 00:13:11.640

Amber Wilson: That's what I heard.

140

00:13:12.000 --> 00:13:13.290

Ryan Jones: There was a kind of glitch.

141

00:13:14.700 --> 00:13:16.950

William Potter: Yeah, you're, you're glitchy Ryan.

142

00:13:17.220 --> 00:13:18.210

Jeff Graham: He's got dial up

143

00:13:20.130 --> 00:13:21.180

William Potter: Know gal.

144

00:13:22.920 --> 00:13:24.360

William Potter: I'm councilman like

145

00:13:24.840 --> 00:13:25.260

I

146

00:13:26.340 --> 00:13:29.520

William Potter: I'm a supervisor Potter, I

147

00:13:31.140 --> 00:13:36.420

William Potter: Okay, and Amber, you have the public notice, um,

148

00:13:38.850 --> 00:13:43.380

Amber Wilson: Yes, David included in the email he sent with the David resolution.

149

00:13:43.890 --> 00:13:48.300

William Potter: This public notice is the one I need to post on the bulletin board as written.

150

John Howland: On that'll be working on fire inspections here in the next month or so.

168
00:14:40.320 --> 00:14:41.340
John Howland: That's about it.

169
00:14:42.420 --> 00:14:52.800
William Potter: Yeah, I don't know if any of you have had an opportunity to print it out or not, but basically john did 28 or 38 building permits this year.

170
00:14:54.120 --> 00:15:02.490
William Potter: Five violation notices six health department complaints in three violation complaints.

171
00:15:10.500 --> 00:15:23.700
William Potter: So the total revenue for all the building permits was \$3,288 so yeah it is down. So this year. Anybody have any questions for john

172
00:15:29.130 --> 00:15:33.240

176
00:15:45.390 --> 00:15:48.180

Herb Yerdon: And the death card into the New York State Department of Health.

184

00:16:37.710 --> 00:16:44.730

Herb Yerdon: The total isolation in quarantine people in the county is 1654

185

00:16:47.760 --> 00:16:48.300

Herb Yerdon: And

186

00:16:49.500 --> 00:16:50.010

William Potter: Irby

187

00:16:50.130 --> 00:16:51.210

Herb Yerdon: Also, yes.

188

00:16:51.930 --> 00:17:11.010

William Potter: One more thing on the closed offices, I had an email today or a report, the Board of Elections is also going to be closed. The 19th due to coven, my understanding is there was two employees that tested positive. So they're doing a big cleanup that day.

189

00:17:12.060 --> 00:17:18.270

Herb Yerdon: Well, that's true. I haven't. I was gonna get to that I haven't got to yet. Oh you jumped the gun on me.

190

00:17:19.170 --> 00:17:22.320

William Potter: I didn't, I didn't mean to rain on your parade.

191

00:17:25.740 --> 00:17:28.080

William Potter: Wearing mixed company or I want to send something else.

192

00:17:28.170 --> 00:17:32.550

Herb Yerdon: Okay. Good enough in New York State awarded

193

00:17:33.570 --> 00:17:36.420

Herb Yerdon: Our veterans department in the county

194

00:17:37.980 --> 00:17:49.470

Herb Yerdon: For the work day done on helping veterans get jobs as from July of 2019 to June 2020 they have 233 veterans.

195

00:17:50.910 --> 00:17:52.410

Herb Yerdon: Jobs and all in

196

00:17:54.090 --> 00:18:04.860

Herb Yerdon: The Army, Navy Marines all the branches were involved the ages of those veterans, they helped get jobs made from 21 years old to 84

197

00:18:06.240 --> 00:18:10.620

Herb Yerdon: So there's always extra jobs out there that hold. Yeah. Yes.

198

00:18:11.820 --> 00:18:25.500

Herb Yerdon: Here it is here. You're going to talk about the Board of Elections in a squiggle will be closed from January 11 to January 19 and tonight I was told that that expanded to the 21st

199

00:18:26.790 --> 00:18:27.270

William Potter: Okay.

200

00:18:27.840 --> 00:18:31.200

Herb Yerdon: Do, do employees being tested in the county

201

00:18:33.540 --> 00:18:34.020

Herb Yerdon: And

202

00:18:35.460 --> 00:18:36.930
Herb Yerdon: Us we've kind of asked is,

203

00:18:38.640 --> 00:18:41.610
Herb Yerdon: They did their yearly mission statement.

204

00:18:42.960 --> 00:18:51.000
Herb Yerdon: I don't know that they're very good organization in the county out hopefully you don't have to deal with them because this is not when you follow them to help

205

00:18:52.380 --> 00:19:02.850
Herb Yerdon: But I can tell you from firsthand. They help when my brother john has passed. They're very, very helpful coming into the family and helping. That's a very good organization.

206

00:19:04.170 --> 00:19:05.280
Herb Yerdon: And also,

207

00:19:06.930 --> 00:19:09.810
Herb Yerdon: The local school districts partner up with this river.

208

00:19:10.110 --> 00:19:15.840
Herb Yerdon: County Health Department and notify student, staff of covert explore exposure.

209

00:19:18.990 --> 00:19:29.400
Herb Yerdon: Now the school via paid notify the local districts and the parents. He'll be calling in Latin, the parents know after I wasn't supposed to

210

00:19:30.540 --> 00:19:35.940
Herb Yerdon: That a virus, and if so, how long will they be quarantine at all.

211

00:19:37.680 --> 00:19:38.040
Eric Pappa: And

212

00:19:39.210 --> 00:19:39.900
Herb Yerdon: Also

213

00:19:41.520 --> 00:19:42.360
Herb Yerdon: The county is

214

00:19:43.950 --> 00:19:55.560

Herb Yerdon: Offering the high dose flu vaccines for people 65 and older or highly recommended you haven't got your flu shot. Whether you're over 60 private that you should get it.

215

00:19:57.540 --> 00:19:57.990

Herb Yerdon: And

216

00:20:00.120 --> 00:20:00.600

Herb Yerdon: So,

217

00:20:02.340 --> 00:20:06.750

Herb Yerdon: The narrative and lunch later Jim whether up reported on

218

00:20:07.890 --> 00:20:14.850

Herb Yerdon: That at the 2021 budget was adopted by Troup county legislator last Thursday and

219

00:20:16.290 --> 00:20:39.900

Herb Yerdon: The jet generic tax rate went from \$7 69 cents 1000 and it went down to seven ballast and 48,000 so there was some savings. This year, and I think because we put a freeze on hiring we printed freeze on purchasing and that did help. And as you can see that

220

00:20:41.670 --> 00:20:44.460

Herb Yerdon: The reporting of death blow the covert he's gained

221

00:20:45.660 --> 00:20:54.810

Herb Yerdon: Our numbers were always was running around five to six because the county health department only reported coven they saw that a destiny.

222

00:20:55.980 --> 00:21:03.060

Herb Yerdon: And stayed in New York said it was wrong, they want. From now on, you'll figure Josie about the death rate in this county

223

00:21:04.260 --> 00:21:14.250

Herb Yerdon: Will be through the state and the reason it's different. At higher than ours, because that hospitals and nursing homes and adult care facilities.

224

00:21:14.910 --> 00:21:22.170

Herb Yerdon: Are really important their desk for a good, healthy private New York state. So the time that state gets it gets back to Los, it's quite up

225

00:21:23.130 --> 00:21:34.680

Herb Yerdon: Times. SO NOW THE COUNTY IS GOING TO US State Department figures from henceforth, that's why you see a big dump. I don't want to like 55, I think it was

226

00:21:38.670 --> 00:21:43.980

Herb Yerdon: It was up to 55 we were running around five and six. That's a big difference and

227

00:21:45.330 --> 00:21:54.900

Herb Yerdon: Chain chain to health department actor he explained, I gave me a copy of all his stuff today, he explained why it changed and how it changed.

228

00:21:57.060 --> 00:22:04.080

Herb Yerdon: The last and gap is there they're highly recommended it down the vaccine. If it's offered to you.

229

00:22:05.220 --> 00:22:16.380

Herb Yerdon: And they want you to highly recommend you take it and they sent out a pack and about vaccines. I also give that the hammer, but it breaks it down to

230

00:22:18.360 --> 00:22:24.750

Herb Yerdon: age groups and who's people are synchronized SEC and and why you should get it basically

231

00:22:26.400 --> 00:22:29.610

Herb Yerdon: And know that there's a trickle down to the county level.

232

00:22:31.980 --> 00:22:34.650

Herb Yerdon: Others and derivative party fireman.

233

00:22:36.060 --> 00:22:46.530

Herb Yerdon: A gift received the first shot and quite a few of the firemen are getting notified. Make a list and send it into the county

234

00:22:47.940 --> 00:22:53.670

Herb Yerdon: I know Redfield started to get vaccines few in red few family members got them now.

235

00:22:54.060 --> 00:23:03.930

Herb Yerdon: I take our roles been attacked it so hopefully the vaccine will come down. That's he don't know how much, how many vaccines were going to get

236

00:23:05.160 --> 00:23:11.010

Herb Yerdon: They might say we're going to get 1000 and we end up with 500 we might say 500 you will get more

237

00:23:12.150 --> 00:23:13.980

Herb Yerdon: All depends. What's the state in New York does

238

00:23:15.240 --> 00:23:15.990

Herb Yerdon: That's about it.

239

00:23:17.640 --> 00:23:20.550

William Potter: Anybody have any questions for legislator urine.

240

00:23:24.000 --> 00:23:24.870

244

00:23:43.440 --> 00:23:54.900

00:29:04.110 --> 00:29:11.850

Paul Baxter: The toggle Commission conducted a webinar on the required public employer health emergency plans on Tuesday, December 29

297

00:29:12.540 --> 00:29:17.430

Paul Baxter: And that webinar is now available on the tiger website and via the tequila YouTube channel.

298

00:29:18.240 --> 00:29:33.120

Paul Baxter: And speaking of the tug Hill website in response to comments and suggestions received. It's been updated and reorganize to make it easier to find the information you're looking for. So when you have a chance, go to www dot

299

00:29:34.140 --> 00:29:38.370

Paul Baxter: Dot org to see what it looks like now. I think you'll be pleased. I certainly was.

300

00:29:39.390 --> 00:29:40.890

Paul Baxter: The question.

301

00:29:42.180 --> 00:29:45.360

William Potter: How long will that webinar be available on your site.

302

00:29:46.020 --> 00:29:49.140

Paul Baxter: Oh, definitely. I don't think

303

00:29:49.320 --> 00:29:50.580

William Potter: Okay then, then

304

00:29:50.850 --> 00:29:52.980

William Potter: If I don't get to it for a while. It'll be there.

305

00:29:55.620 --> 00:29:59.550

William Potter: Now, as in my understanding, I have to have their plan together by March first

306

00:30:00.150 --> 00:30:12.450

Paul Baxter: I believe it's April 1 unless you're dealing with a union okay to have it by like February 4 or something like that. And other than that you're supposed to have it together by April 1

307

00:30:13.470 --> 00:30:14.040

William Potter: All right.

308

00:30:17.280 --> 00:30:27.390

Paul Baxter: And the other thing that bill was talking about is something that we talked about it. The salmon rivers Council of Governments meeting back in November, basically.

309

00:30:28.110 --> 00:30:36.030

Paul Baxter: Seven rivers Council, the government's that you belong to is an entity that's formed by something called an intern municipal agreement. It's basically an

310

00:30:36.540 --> 00:30:44.100

Paul Baxter: Agreement to work together on different things and you're currently under an entry, Mr agreement that creates the

311

00:30:44.730 --> 00:31:03.870

Paul Baxter: Salmon rivers Council of Governments however those agreements have a lifespan. I'm of not to exceed basically not to exceed about five years. So, and the last one was passed was passed back in 2000 and 15th. And that brings us to 2020 and now in early 2021 so

312

00:31:05.250 --> 00:31:15.510

Paul Baxter: At the November meeting the salmon rivers Council of Governments passed a new intern municipal agreement with exactly the same words as your current agreement.

313

00:31:16.050 --> 00:31:22.980

Paul Baxter: Only thing that changed is at the top of the front page where it says the date that it was adopted. Now, the date that it was adopted by the group.

314

00:31:23.610 --> 00:31:33.180

Paul Baxter: Is in November Otter, we now need to have the individual towns and villages that belong to salmon rivers also signed on to it. So that's what we're looking for right now.

315

00:31:33.810 --> 00:31:41.250

Paul Baxter: I sent a copy of that on to Bill. Bill is familiar with it, and he reviewed it, and approved it at your at the seminar is meeting in November.

316

00:31:42.120 --> 00:31:55.530

Paul Baxter: You could if you wish to go ahead and agreed to continue under that or if you want to take time to look at it, I'd be if you haven't seen it, and that's fine too. It's not real time critical leg was passed in.

317

00:31:56.730 --> 00:32:04.530

Paul Baxter: February, that would be okay too. So I don't want to ask you to do something that you're not comfortable with doing so at this point, I'll

318

00:32:05.880 --> 00:32:10.200

William Potter: We have a motion to approve this interviews does municipal agreement.

319

00:32:10.590 --> 00:32:11.760

William Potter: Or make sense motion.

320

00:32:12.840 --> 00:32:15.810

William Potter: There you go, Paul. Do we have a second or second

321

00:32:17.100 --> 00:32:19.980

William Potter: All right. All those in favor. Aye.

322

00:32:20.880 --> 00:32:23.880

William Potter: Aye, assign this an email it to you tomorrow.

323

00:32:24.330 --> 00:32:25.650

Paul Baxter: Okay. Very good. Thank you.

324

00:32:30.090 --> 00:32:31.290

William Potter: Mr trainer.

325

00:32:32.730 --> 00:32:33.570

William Potter: Our you

326

00:32:36.030 --> 00:32:37.140

Robert: Just had to get unmuted.

327

00:32:37.980 --> 00:32:38.460

Okay.

328

00:32:41.130 --> 00:32:41.730

Robert: Pretty sure

329

00:32:43.320 --> 00:32:46.560

Robert: I consider pretty good considering the times that we're in right now.

330

00:32:47.760 --> 00:32:50.220

Robert: With the ambulance Corps we've managed to

331

00:32:51.570 --> 00:32:55.860

Robert: Yep. All of our providers are three office staff all

332

00:32:57.210 --> 00:33:00.240

Robert: Got initial Cobra shot Maxine.

333

00:33:02.190 --> 00:33:07.440

Robert: So hopefully we'll start heading down a little more faithful road.

334

00:33:08.790 --> 00:33:09.060

And

335

00:33:10.710 --> 00:33:13.020

Robert: Last night's meeting we finished up

336

00:33:14.400 --> 00:33:16.920

Robert: Discussing and seeing where we were with the

337

00:33:18.840 --> 00:33:20.640

Robert: Budget and all the

338

00:33:21.900 --> 00:33:23.880

Robert: Actual income versus expense.

339

00:33:25.260 --> 00:33:26.820

Robert: We had budgeted to

340

00:33:29.790 --> 00:33:41.640

Robert: End the year at taking \$65,000 out of our fund balance and it ended up that we're less than 25,000 that we've got to take out some

341

00:33:42.120 --> 00:33:42.720

William Potter: That's good.

342

00:33:43.530 --> 00:33:47.130

Robert: We come out extremely close for a million and a half dollar budget.

343

00:33:49.440 --> 00:33:52.260

Robert: Very pleased with that our calls were

344

00:33:53.340 --> 00:33:58.020

Robert: Actually, we ended up 12 calls more than we were the previous year. So

345

00:33:59.340 --> 00:34:01.740

Robert: It started off a little slow, but then it seemed to pick up

346

00:34:03.570 --> 00:34:05.610

Robert: We've been very good with

347

00:34:07.020 --> 00:34:10.740

Robert: The process of cleaning the aliases and keeping things

348

00:34:13.110 --> 00:34:14.250

Robert: Or they should be, and

349

00:34:15.660 --> 00:34:22.950

Robert: We've had only a couple of problems during the course of the year with people coming up with a cold wind and both of them were

350

00:34:24.480 --> 00:34:26.580

Robert: Coming from another core or another area.

351

00:34:28.140 --> 00:34:30.240

Robert: One was from the jailhouse over there.

352

00:34:31.500 --> 00:34:33.600

Robert: That that's where they picked it up so

353

00:34:35.040 --> 00:34:40.470

Robert: What we've knock on wood, we've been very fortunate. We've not had any internal

354

00:34:41.640 --> 00:34:42.420

Robert: Things are looking

355

00:34:43.560 --> 00:34:43.830

Robert: Good.

356

00:34:46.050 --> 00:34:46.590

Robert: Excellent.

357

00:34:48.360 --> 00:34:50.340

William Potter: Anyone have any questions for Bob

358

00:34:53.970 --> 00:34:55.380

William Potter: Very good. Thank you, sir.

359

00:34:55.890 --> 00:34:58.110

Robert: Ready. Good, thank you.

360

00:35:00.000 --> 00:35:00.750

William Potter: All right.

361

00:35:03.990 --> 00:35:10.770

William Potter: I missed a resolution on here. Amber, we've done what one, two, and four or just one in four.

362

00:35:18.000 --> 00:35:18.990

Jeff Graham: embers muted.

363

00:35:20.730 --> 00:35:21.180

William Potter: Yeah.

364

00:35:23.070 --> 00:35:23.910

William Potter: I like that.

365

00:35:25.980 --> 00:35:38.160

Amber Wilson: Very funny. Jerk. I guess I wasn't clicked on my screen when I hit my spacebar to unmute sorry I wasn't looking, I was looking at the agenda, we did one, two and four. We need to do three

366

00:35:38.880 --> 00:35:47.850

William Potter: All right, this is a this is a quick ones. Um, this is the one where we charge the \$2 fee for a

367

00:35:50.040 --> 00:35:50.850

Amber Wilson: Second notice

368

00:35:51.150 --> 00:35:53.550

William Potter: Second notice on property taxes.

369

00:35:53.850 --> 00:36:00.210

William Potter: There's always a handful of folks that we send a second notice to If Amber hasn't heard boo from them.

370

00:36:01.380 --> 00:36:09.330

William Potter: After a certain date to give them an opportunity to get their their their chairs, Bill, I'm taking care of prior to the deadline.

371

00:36:10.680 --> 00:36:12.210

Amber Wilson: I got death. So he's good.

372

00:36:12.780 --> 00:36:13.440

William Potter: Thank you.

373

00:36:14.490 --> 00:36:16.380

Amber Wilson: I said I got Jeff. So he's good.

374

00:36:17.250 --> 00:36:19.650

William Potter: Oh, there you go. Um,

375

00:36:21.510 --> 00:36:28.230

William Potter: Do we have a motion to approve this resolution to charge the \$2 for the second notice

376

00:36:29.760 --> 00:36:30.690

Jeff Graham: I'll make the motion.

377

00:36:31.290 --> 00:36:32.130

William Potter: We have a second.

378

00:36:34.170 --> 00:36:34.740

David Lake: I'll second.

379

00:36:36.570 --> 00:36:37.560

William Potter: councilman Lake

380

00:36:38.430 --> 00:36:40.710

William Potter: I councilman Graham.

381

00:36:40.950 --> 00:36:43.200

William Potter: High councilman Jones.

382

00:36:44.280 --> 00:36:44.670

Ryan Jones: I

383

00:36:45.750 --> 00:36:47.940

William Potter: And supervisor powder. I

384

00:36:49.710 --> 00:36:50.430

William Potter: Alright.

385

00:36:52.860 --> 00:36:55.230

William Potter: Public comments. You got any comments public

Shirley: Know you're doing wonderful

387

00:36:57.870 --> 00:36:58.830

William Potter: Oh, thank you.

388

00:36:59.850 --> 00:37:03.360

Robert: Yeah, I had a question for Amber. Oh.

389

00:37:03.450 --> 00:37:03.810

Amber Wilson: Yes, sir.

390

00:37:04.380 --> 00:37:07.650

Robert: How do we get ahold of you to set up an appointment to pay our taxes.

391

00:37:09.330 --> 00:37:19.110

Amber Wilson: You can call me all my calls to my office or forward it to my house. So the only time I don't get a call, as if I'm not right here, which is a very rare occurrence and

392

00:37:20.580 --> 00:37:24.960

Amber Wilson: If you don't want to drop it in the mail or stick it in the

393

00:37:26.250 --> 00:37:29.340

Amber Wilson: mail slot on the building. You can also do that.

394

00:37:32.370 --> 00:37:36.300

Robert: What phone number is yours. No there. I don't have a new book for some

395

00:37:36.300 --> 00:37:36.870

Amber Wilson: Reason. Oh.

396

00:37:38.370 --> 00:37:45.930

Amber Wilson: 315-298-4347

397

00:37:47.940 --> 00:37:48.570

Robert: Sorry to put you

398

00:37:49.200 --> 00:37:49.710

Amber Wilson: On a minute.

399

00:37:51.150 --> 00:37:54.660

Amber Wilson: I was gonna give you my home number which doesn't matter. They all come here anyway but

400

00:37:54.900 --> 00:38:00.720

Amber Wilson: I will be in my office Wednesday nights. If you need to, if you absolutely need to see me.

401

00:38:01.230 --> 00:38:01.800

Okay.

402

00:38:03.630 --> 00:38:05.250

Robert: All right. Very good. Thank you very much.

403

00:38:06.270 --> 00:38:06.990

Amber Wilson: You're welcome.

404

00:38:11.490 --> 00:38:15.600

William Potter: Okay, I'm. To be honest, I don't know if I have any correspondence or not.

405

00:38:19.650 --> 00:38:20.880

Jeff Graham: That's good news.

406

00:38:22.560 --> 00:38:26.430

William Potter: Well, if I get I've lost as it's done. You've seen my desk.

407

00:38:27.630 --> 00:38:28.260

William Potter: I'm

408

00:38:29.400 --> 00:38:33.420

William Potter: Okay, the December regular meeting minutes

409

00:38:35.160 --> 00:38:37.860

William Potter: Did everybody get an opportunity to read through them.

410

00:38:39.510 --> 00:38:40.170

Jeff Graham: Yes.

411

00:38:40.800 --> 00:38:46.260

William Potter: Okay. We have a motion to approve the December 820 20 meeting minutes

412

00:38:47.550 --> 00:38:48.810

Ryan Jones: On makes us motion.

413

00:38:49.380 --> 00:38:50.190

William Potter: They have a second

414

00:38:50.460 --> 00:38:51.180

Jeff Graham: I'll second.

415

00:38:51.780 --> 00:38:52.830

William Potter: All those in favor,

416

00:38:53.160 --> 00:38:53.790

David Lake: Aye. Aye.

417

00:38:54.090 --> 00:38:55.290

Ryan Jones: Aye. Aye.

418

00:38:56.250 --> 00:39:07.410

William Potter: The other thing that I had was, we've got our quick minutes for our meeting when we met with the highway staff to do their contract.

419

00:39:13.920 --> 00:39:22.710

William Potter: Which basically with their contract we offered them. The 65 cents for each year 65 cents for 21 and 65 cents for 22

420

00:39:23.220 --> 00:39:35.940

William Potter: The only addition amber that I think we may want to put in these minutes is that I also asked him if they're if they wanted any other changes in the contract, and they all stated, no.

421

00:39:41.130 --> 00:39:45.570

William Potter: Okay, that's, that's the only correction that I I can think of.

422

00:39:47.880 --> 00:39:54.180

William Potter: So do we have a motion to approve those minutes from the January 6 meeting as amended.

423

00:39:56.940 --> 00:39:57.990

Jeff Graham: I'll make that motion.

424

00:39:58.680 --> 00:39:59.550

William Potter: Now have a second

425

00:40:00.330 --> 00:40:04.140

William Potter: Second. All those in favor. Hi. Hi.

426

00:40:05.280 --> 00:40:05.640

Ryan Jones: Hi.

427

00:40:06.900 --> 00:40:09.180

William Potter: Okay, I'm still working on my reports.

428

00:40:11.310 --> 00:40:14.610

Amber Wilson: I haven't even been in the office. You can't even blame me for distracting you.

429

00:40:15.450 --> 00:40:16.200

William Potter: Know, but

430

00:40:17.280 --> 00:40:17.790

William Potter: I know

431

00:40:20.730 --> 00:40:32.160

William Potter: I'm the bills. I gave you copies of the abs not abstracts. To give you an idea what the bills were. Did anybody have an opportunity to take a look at that, or do you want me to run through it.

432

00:40:39.450 --> 00:40:40.980

William Potter: Don't know speak at once.

433

00:40:42.000 --> 00:40:42.690

David Lake: We look through it.

434

00:40:43.950 --> 00:40:44.610

Jeff Graham: Yeah, I did.

435

00:40:45.750 --> 00:40:46.320

William Potter: Okay.

436

00:40:47.430 --> 00:40:50.700

William Potter: The only addition to the, the general fund as

437

00:40:52.530 --> 00:41:02.820

William Potter: This morning in the email and my email I received the bill from oral container for 1984 which is flip between the town hall and the town barn.

438

00:41:03.840 --> 00:41:10.830

William Potter: And we already talked about the bill for I believe it was \$2,016 for diesel fuel.

439

00:41:12.450 --> 00:41:17.700

William Potter: Okay, what I'm going to need you guys to do is to come into the office.

440

00:41:21.480 --> 00:41:27.030

William Potter: To sign the vouchers. Okay, gave a juvenile come any morning

441

00:41:28.740 --> 00:41:29.160

Okay.

442

00:41:30.450 --> 00:41:33.630

William Potter: Well not anymore and you want to come tomorrow morning or

443

00:41:34.740 --> 00:41:43.140

William Potter: Because Thursday morning. I have a webinar at 10 o'clock on the Community block Development Grant and

444

00:41:44.400 --> 00:41:49.500

William Potter: Thursday afternoon and apparently I got an appointment with my cardiologist that I didn't know I had

445

00:41:50.070 --> 00:41:51.750

William Potter: Till they sent me a text message.

446

00:41:53.880 --> 00:41:59.280

William Potter: Um, well, I don't care to go anyway, Jeff.

447

00:42:01.260 --> 00:42:04.560

William Potter: You want to come Friday after work or Monday. Well,

448

00:42:04.770 --> 00:42:05.910

Jeff Graham: Or you don't work for it.

449

00:42:07.440 --> 00:42:09.060
